Headquartered in Montclair, New Jersey, Morgan Business Solutions has announced the expansion and relocation of its company headquarters to Chapel Hill, North Carolina, this summer. Additionally, Marty Aronow has been promoted to executive vice president, in charge of the New York Tri-state area. Aronow joined the company as executive vice president, finance, in 2008, and has been responsible for overseeing the financial issues of Morgan Business Solutions' clients.

Aronow has over 30 years of executive experience delivering results-oriented operations and financial expertise that has guided large and privately held corporations to sustained profitability. A master at identifying intricate financial issues and turning them into easy-to-manage milestones, Aronow focuses on key performance indicators, wading through all client data to get to the key numbers that drive a business. As someone who has worked for major corporations as chief operating officer, general manager, and executive vice president of operations, Aronow is uniquely talented at speaking about finances in a purposeful way.

"We are extremely excited to be expanding into the Chapel Hill area and are pleased to have Marty Aronow leading the diversely talented team of professionals at Morgan Business Solutions in the Tri-state region," stated Soraya (Morgan) Gutman, president of Morgan Business Solutions. "This expansion is a milestone for our company and celebrates our success, which is even more noteworthy given these challenging economic times."
